

# PLAN NYC GALLERY WALK

---

How does New York City plan for its future?

Using the #OneNYC plan, M.S. 447 6th graders take the role of a city planning firm to envision their own design for the Public Place brownfield!

Due to two E Day Snow Days, our E Day Exploration Groups will be using much of March 23<sup>rd</sup> to complete their Public Place Models. We still want them to have a chance to show you their learning and their designs. So, please join us for an abbreviated gallery walk as students present and discuss their Models!

**March 23<sup>rd</sup> 1:00-1:40**

E Day Color Groups: **Blue** Room 324  
**Red** Room 326
