

It's Halloween at MS 447!

On Halloween (Friday, October 31), students are permitted to come to school in costume. During 8th Period, students who are in costume will have an opportunity to march in a parade through the school, showing off their awesome creativity to the rest of the students!

However, we need your help. So that we all have a safe and fun day, please ensure that your child, if he/she comes in costume, adheres to the following parameters:

No masks

No costume props (weapons, brooms, Toto dogs, etc.... But glasses, wigs, moustaches, and face paint are okay)

Students must enter school already dressed up--they cannot spend class time getting into costume

Costumes must not be offensive or culturally insensitive

Costumes must meet the following dress code requirements:

Tops that are opaque and cover the chest, midriff, and back, and have straps

Pants, shorts, or skirts that come down to the end of the pinky finger when student is standing straight with relaxed shoulders. If the clothing is not this long, opaque leggings or tights must be worn

Pants, skirts, and shorts that cover undergarments
