Dear Parents and Guardians,

I hope everyone had a relaxing three day weekend. I know everyone is eagerly awaiting news from the admissions office on when the applications will open and the latest updates. I have been told more information will be released in the middle of October.

As we await this information, many high schools are beginning to host open houses. Each family should keep track of the open houses for the schools they are interested in. I suggest using a chart such as this [High School Research Notes](#)

Following is a list of some schools that have posted open houses.

Please note there are many more schools to consider and families should independently keep track of open houses. Most schools require you to sign up for the open houses on their websites.

Estimados padres y tutores,

Espero que todos hayan tenido un relajante fin de semana de tres días. Sé que todos están esperando ansiosamente las actualizaciones de la oficina de admisiones sobre cuándo se abrirán las solicitudes y las últimas actualizaciones. Me han dicho que se dará más información a mediados de octubre.

Mientras esperamos esta información, muchas escuelas secundarias están empezando a organizar jornadas de puertas abiertas. Cada familia debería llevar un registro de las jornadas de puertas abiertas en las escuelas que le interesan. Sugiero usar una tabla como esta [Notas de Investigación de Escuelas Secundarias](#).

Abajo hay una lista de algunas escuelas que han publicado casas abiertas. Tenga en cuenta que hay muchas más escuelas a considerar y las familias deben mantener un registro separado de las casas abiertas. La mayoría de las escuelas

requieren que usted se registre para las casas abiertas en sus sitios web.
