At MS 447, we have found that using Google Classroom and Jumprope in conjunction have set our students and families up for the most academic success. Please see below for how to use the two resources.

	Google Classroom	Jumprope
What is it?	A Google platform run by teachers to post and monitor student assignments	A platform for teachers to post student grades in
Who has access?	Teachers, Students, Families	Teachers, Students, Families
How do I get access?	Students can use their MS447 email and the access code to join each individual class Google Classroom Families will be invited using their email addresses as guardians on Google Classroom You can access daily or weekly summaries	Students and families have been invited to join Jumprope
How do families use it?	Families will have access as a Guardian on Google Classroom. Families can see assignments, instructions, resources to help assist their student at home Google Classroom will not have grades and may not show if an assignment is missing	● Families use Jumprope to see their students' progress (grades) in each class ● Families use jump rope to see which assignments are missing ● IF the teacher has uploaded work, click on the "cloud" to download it
How do students use it?	Students use Google Classroom to see assignments and instructions as well as materials and resources for assignments Some assignments may be submitted through Google Classroom but NOT graded on Google Classroom	● Students use Jumprope to see their progress (grades) in each class ● Students use Jumprope to see missing assignments
What information will I find?	● Most classroom assignments (including classwork, homework, resources) ● Directions and materials for the classroom assignments ● Important due dates for assignments WE DO NOT GRADE ON GOOGLE CLASSROOM. MISSING ASSIGNMENTS WILL NOT BE REFLECTED ON	● Student grades for each assignment ● What assignment students are missing marked with a "M" ● What learning targets are being addressed in each assignment and how your student is meeting those learning targets ● Jumprope is a living gradebook that can change daily

	GOOGLE CLASSROOM.	THE DETAILS OF AN ASSIGNMENT WILL NOT ALWAYS BE FOUND ON JUMPROPE.
How often should I check?	Once a week	Once a week
Who do I reach out to if I need help?	Student's classroom teacher or Pack leader	Hera Yoon, Assistant Principal Hyoon@ms447.org Dave Grosshandler, Teacher Dgrosshandler@ms447.org Amy Sirot, Parent Coordinator Asirot@ms447.org
How do I use them together?	Jumprope will tell you HOW your student is doing and Google Classroom will tell you WHAT your student is doing.
