

Handout #7: High School Fairs – Flyers Attached

10/3/25

Dear Families,

Please find attached flyers for all upcoming **Borough High School Fairs**. These events offer a valuable opportunity for students and families to meet representatives from a variety of high schools, ask questions, and gather important information to support their decision-making process.

Additionally, there is an attached flyer for a **Girls in Aviation** event hosted by Aviation High School on **October 18th**.

We encourage you to attend these fairs and take advantage of the chance to explore different schools and special events in person.

If you have any questions, please feel free to reach out.

Best regards,
